

STATE OF MINNESOTA  
COUNTY OF BECKER

---

DISTRICT COURT  
SEVENTH JUDICIAL DISTRICT

Kenneth Eugene Andersen,

Petitioner,

Case No. 03-CR-07-171

**NOTICE OF MOTION AND  
MOTION TO REOPEN AND  
EXPAND THE RECORD**

vs.

State of Minnesota,

Respondent.

---

PLEASE TAKE NOTICE that Petitioner Kenneth Andersen hereby moves the Court to reopen the record in this matter to expand the record to include evidence obtained as a result of testimony and evidence offered at the October 23, 2018 evidentiary hearing. *See Miles v. State*, 840 N.W.2d 195, 205 (Minn. 2013). Petitioner requests that the Court accept the evidence contained as Exhibits to his Post-Hearing Memorandum, and/or allow Petitioner to present testimony in support of it. Said evidence was obtained because of testimony given by witnesses Mr. Andersen did not have access to outside of subpoenaing them to the evidentiary hearing, and because this evidence goes directly to the credibility of Stacy Weaver and Mr. Andersen's claims based on his testimony.
